

# The Bravery & Brilliance of African Americans Faculty Choir

February 6, 2008

Dear XXXX Faculty,

XXXX's Black History program is scheduled for February 28, 2008 with grades K-2 attending the first afternoon session and grades 3-5 attending the second afternoon performance. Therefore, I feel that it will be beneficial for the students to see their teachers perform the "National Black Anthem" during their program sessions. Rehearsals are scheduled for the next three Wednesdays (2/13, 2/20, 2/27) at 7:10am-7:30 with Ms. XXXX. I want to thank all the staff members that are willing to dedicate their time to support the success of XXXX's Black History program.

Educationally yours,

*Ms. Lowery*
